

WE GROW. GROW WITH US.

WE ARE LOOKING FOR

- **Advisor IP / ICT (m/f)**
- **IP Paralegal (m/f)**

You may expect exciting challenges in the course of our comprehensive consultancy activities :

- you manage international IP portfolios
- you are responsible for the obtention and enforcement of the IP rights of a specific client portfolio
- you advise clients in the field of contractual, tax and economic issues related to IP and draft corresponding agreements

YOU OFFER

- a successfully completed Bachelor or Master degree in law
- fluency in German, French and English, but at least in French and English
- excellent editorial skills
- sense of organization, sincerity, reliability, team spirit as well as excellent communication skills
- a first professional experience in a law firm or inhouse IP department of an international company, as well as a completed additional university degree in the field of IP / ICT constitute an advantage

WE ARE

a consultancy firm in the field of Intellectual Property (IP) and New Technologies (ICT), member of thg group with offices in Belgium and Luxemburg.

As a firmly established, forward-looking and expanding law firm with a high level of advisory competence and lean structures, we offer you excellent professional and personal development opportunities. Our committed employees represent a diversified clientele, enjoy a pleasant work environment, long-term perspectives and a performance-oriented remuneration under Luxemburg regime.

We look forward to getting to know people who enjoy working with people and whose highest priorities are our client's interests. Please send your complete application documents with certificates, recent photograph and indication of the earliest start date by e-mail or by mail to the address provided below. Your application will be treated strictly confidential!

Please send your application together with your CV and a recent photograph per e-mail to hr@thg-ip.solutions or by mail
